Fit-n-Fun Summer Camp

The undersigned agrees to contract childcare with Fit-n-Fun for the 2009 Summer Camp. During the duration of the contract, space will be reserved for the child of the undersigned. Rates will not be prorated. The only possible exceptions to this policy may be for serious health-related absences (accompanied by a physician's note). No cash refunds will be given. All issues pertaining to credits/prorated fees are subject to the Fit-n-Fun Director's approval. The patron must understand that in the event of absences during the program hours and activities, the patron is responsible for time reserved, not actual time spent at the program. Patrons no longer requiring the Summer Camp program services who wish to remove their child/children, or who plan to go on vacation, must submit a minimum 2 weeks notice in writing. If written notice has not been provided for a child's absence, and does not show for that week, the undersigned will be required to pay in full for that week.

* _____

All payments must be made weekly, on the Monday morning for that week of care. If payment is not received on that Monday, \$5.00 per day will be added until payment is received.

* _____

Alternate care will not be available for children on field trip days. All children will go on field trips. If a child has an appointment on a field trip day, parents will be responsible for picking up/dropping off the child at the field trip location or finding alternate care for the child for the day. Parents are responsible for ensuring children wear appropriate shoes (no flip-flops) to reduce the risk of injury to children's feet during active play. Shoes must be worn at all times; including water play (we encourage water shoes!). If a child wears sandals, parents must provide shoes to be brought to the program to be changed into if necessary. Each child will have a cubby to store personal items.

* _____

One bottle of spray/lotion sunscreen must be provided per child for everyone to use. The sunscreen must be a 16-ounce bottle or larger. It must contain at least SPF 30 and must not contain DEET. The children are responsible for applying their own sunscreen. The staff may only apply sunscreen to faces and squirt the lotion on the shoulders. Each child will have another child assist with sunscreen application with staff supervision.

* _____

Parents: Parking is available in front of the program. For the safety of all, we ask that you turn off your vehicle and walk your child in and sign them in. Please do not leave any other children unattended in the vehicle.

* _____

Children must be signed In and Out of the program each day. The sign in area is located at the front entrance of the Fit-n-Fun program.

If a child has not been signed out by 5:30, a \$5.00 late charge will be levied for every 5 minutes after the closing time. For example: at 5:35, there will be a \$5.00 fee added to the normal fees. If a child has not been picked up within 30 minutes and we cannot contact the emergency contact, our policy is contact Child Care Services and the Rapid City Police Department.
