

Welcome to Fit-n-Fun

Welcome to the Fit-n-Fun After School Program! We are very excited that you chose our program for your child's care. Our program mission is to provide the highest quality of care in a fun and safe learning environment with the emphasis on physical activity.

Fit-n-Fun is a program that was designed with the children's safety in mind. We emphasize this by using what is known as a locator board, or choice board. This allows the Fit-n-Fun staff to know where the child is at all times, and when you come to pick up your child, you can easily locate them too. We also use a computer which allows us to know where every child is at all times. We ask that every time you pick up or drop off your child, you clock them in or clock them out.

The staff and I are very excited to start our third school year in our new facility. We pride ourselves on the activities that we provide for the children on a daily basis.

We welcome you into our program. Please feel free to stop by and play with us at anytime. If you have any questions, please stop by or give us a call and we would be more than happy to assist you.
